## If It Swims, We've Got It!

Locally owned and operated fresh retail market featuring fish caught daily by native Ocracoke fishermen in the Pamlico Sound and Atlantic. An excellent selection of fresh local fish, seafood and exotics. Scallops, shrimp, crabmeat, crab legs, lobster tail, salmon, tuna and clams will certainly satisfy any palate.

Sauces, marinades and seafood breaders to pair with your favorite catch are available. There is a nice beer and wine selection.

Vacuum sealing for your catch if you book a charter, so it will be freezer-ready when you get home. Come by for a taste of what Ocracoke has to offer!

**Steamed Blue Crabs and Shrimp "To Go"!**
