Celebrating 18 Years!

We opened our doors in June 1999 to give customers what they wanted – lots of fresh and very tasty seafood. Each item is prepared from scratch.

We provide flavors from all over the world with a Caribbean twist. We purchase as much local fish and shellfish as possible, and obviously get crab legs from all over the U.S.

To you who return year after year, my children and I thank you! New visitors, give us a try, you will love it! Our mission is the same as it was when we opened – fresh and tasty food and seafood...something for everyone!
